General Questions

1. What do you envision for your child after 6 years of Primary School Education?
2. Why are you choosing Rosyth School for your child?

3. How do you see yourself (and your spouse) contributing to the School? Please indicate the times you are available to volunteer and let us know how flexible your working hours are?

Scenario Question

When your child returned home from school, you notice some bruises on your child's face and some scratches on his/her arms. Upon questioning, your child revealed that one of his/her classmates had purposely scratched him/her when your child refused to lend the classmate his/her new colour pencils. In the struggle to retrieve the colour pencils, your child was injured. What steps would you take to follow-up on this issue?

- (a) I am a * Singapore Citizen / Singapore Permanent Resident;
- (b) I have read and have understood the information regarding the Rosyth School Parent Volunteer Programme;

- (d) the school will contact shortlisted applicants for an interview by 10 March 2023, and that no telephone/email enquiries pertaining to any applications will be entertained during this selection period;
- (e) the School shall be entitled to exercise its full discretion with respect to the selection of applicants for the programme based on the school's specific needs, and that any decision made by the school in relation to the selection of applicants will be final. The school is not obliged to provide any explanation for any decisions made in the selection process;
- (f) successful PVs will be required to fulfil a minimum of **70 hours** of voluntary service (including serving on Day 1 and Day 2 for the P1 Orientation Programme in 2024) by 30 June 2024;

I further acknowledge that balloting will be conducted should the total number of successful applicants (together with applicants eligible for priority registration under Phase 2B) exceed the number of vacancies under Phase 2B, and that in such event, places in the school's Primary One classes will be balloted in accordance with the procedures stipulated by the MOE; and
