# Hair & Accessories

## Girls

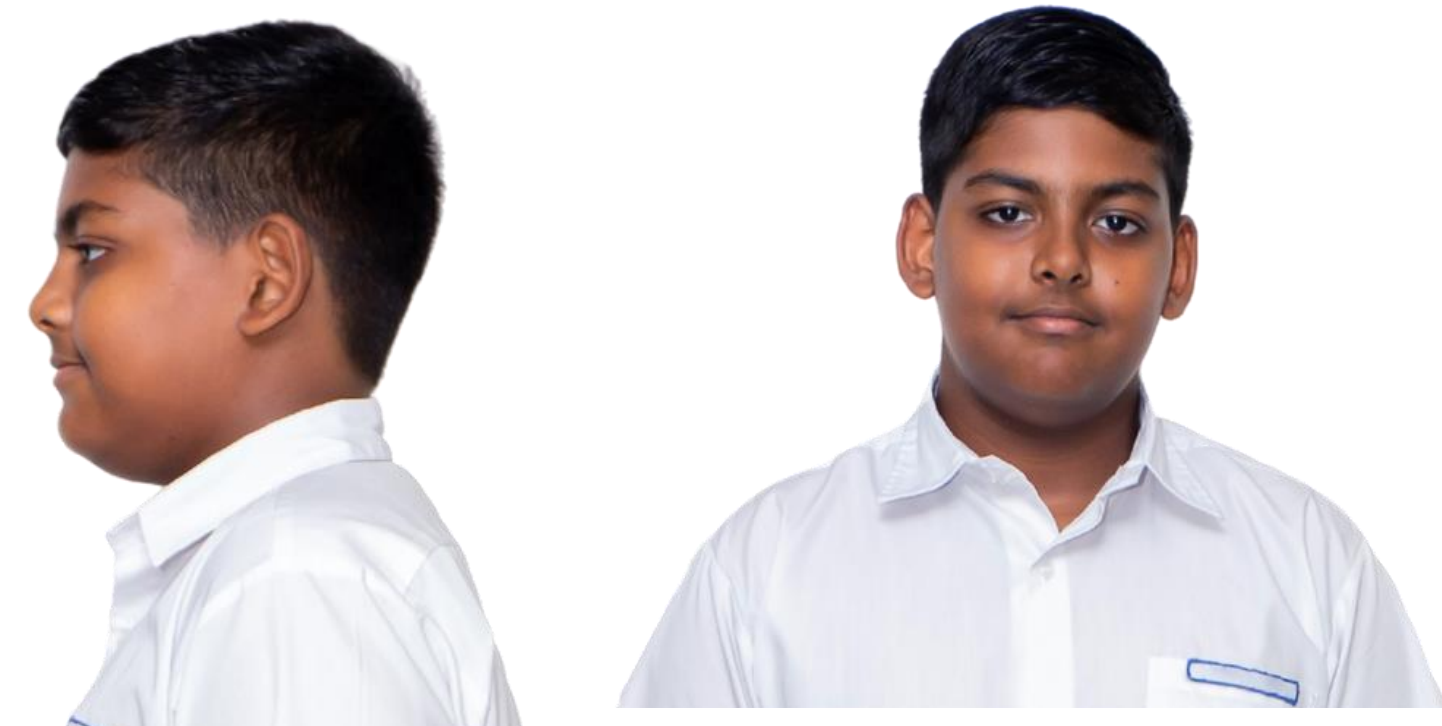

**No other jewellery or accessories are allowed.**

**Girls with pierced ears may wear one pair of simple and small ear studs.**

**Hair should be kept neat and tidy. Shoulder-length or longer hair should be tied or plaited, using simple navy blue or black hair accessories. Fringes should be above the eyebrows, and long fringes should be neatly clipped back.**

## Boys

**Boys are to be clean-shaven at all times. Mustaches and beards are not allowed.**

**Boys should keep hair short and neatly combed, above eyebrows and ears.**

## Common Q & A

### **Q1 : How many sets of the school uniform and PE attire should I buy for my child?**

We recommend purchasing 1-2 sets of the full uniform and 3-4 sets of PE attire.

### **Q2 : Are footwear with shoelaces or Velcro allowed? What about a small logo on the footwear?**

Footwear can have either Velcro or lace-up fastenings. A small coloured logo or light design is acceptable as long as it is mainly in one of these base colours – white, black or grey.

### **Q3: What options are available for girls' lower attire during Physical Education (PE)?**

Girls have the option to wear either shorts or skorts for PE.

### **Q4: What are the school's guidelines on jewellery and other accessories?**

Students are not allowed to wear jewellery or accessories, except for simple watches and medical alert accessories.

### **Q5: What is the school's policy on personal grooming products and fragrances?**

Hair gel, spray, and wax are also not permitted. Additionally, students should not wear fragrances such as perfume and cologne to school. Students must also not tint or highlight their hair.

### **Q6: What is the school's policy on smartwatches?**

We strongly discourage students from wearing smartwatches to school. If a student needs to contact their parents, they can use the phones available in the General Office. If students must bring these devices, they must adhere to the following guidelines:

- i. During curriculum time, all smartwatches should be switched off.
- ii. Outside of curriculum time, these devices can only be used at designated areas with staff permission (Pickup Points, Gates 1 & 7, and General Office).

### **Q7: Are there adjustments made to the attire guidelines during periods of high temperatures?**

To ensure student safety and comfort during the hotter months from April to end June, all students can choose to be in their PE attire or their half uniforms i.e. school PE T-shirt with dark blue school skirt or skorts for the girls, and school PE T-shirt with dark blue shorts for the boys.

Outside the period April to end June, the school will inform students about the heat management measures.

*\*P1 and P2 students can wear PE attire during the initial weeks of the school year, but parents are encouraged to transition them to the formal uniform as soon as they are settled.*
